**MEMORANDUM FOR: Deputy Director (Intelligence)
Deputy Director (Plans)**

1. Primary action responsibility is assigned to DD/I. This will include notification to the Watch Committee and other intelligence collection and analysis agencies within the CIA. Please additionally coordinate closely with DD/P on the messages sent to our Station Chiefs.

2. It would appear that intelligence community action is also required. In this case, consider yourself charged with the responsibility for preparing appropriate actions for the Director's signature as Director of Central Intelligence to other agencies of the intelligence community. In these cases, coordinate your action with the Coordination Staff prior to obtaining the Director's signature.
